

Department of Defense

§ 1120.710

refer to grants, cooperative agreements, or financial assistance in general;

(b) With which a recipient of a grant or cooperative agreement must comply during the period of performance; and

(c) That are outside subject matter areas covered by administrative requirements, as described in § 1120.500.

§ 1120.605 Location of national policy requirements in the standard award format.

As shown in the table in § 1120.4(b), the standard award format includes national policy requirements as Subdivision C of the general terms and conditions.

§ 1120.610 Source of national policy requirements.

The source of national policy requirements to be included in a grant or cooperative agreement is 2 CFR part 1122.

§ 1120.615 Incorporation of national policy requirements into general terms and conditions by reference.

For the same reason given in § 1120.515(b), DoD Components are strongly encouraged to construct the portion of their general terms and conditions addressing national policy requirements for awards to all types of recipient entities, including for-profit entities, by:

(a) Incorporating the standard wording of each article of national policy requirements provided in the appendices to 2 CFR part 1122 into those general terms and conditions by reference; and

(b) Stating any variations from that standard wording (*e.g.*, any added, omitted, or revised paragraphs, based on which national policy requirements apply to programs and recipients for which the general terms and conditions are used).

Subpart G—Programmatic Requirements Portion of the General Terms and Conditions

§ 1120.700 Scope of programmatic requirements.

A requirement is most appropriately included in the programmatic require-

ments portion of the general terms and conditions if it:

(a) Is not in one of the subject matter areas covered by the administrative requirements in Subdivision B of the general terms and conditions, as described in § 1120.500.

(b) Does not meet the criteria in § 1120.600 for a national policy requirement.

(c) Broadly applies to awards using the general terms and conditions. Requirements that apply to relatively few of those awards are more appropriately included in the award-specific terms and conditions of the individual awards to which they apply.

(d) Is expected to be in effect for the foreseeable future, rather than for a limited period of time. For example, a requirement in an annual appropriations act that applies specifically to funding made available by that act is better addressed through the award-specific terms and conditions of awards or modifications to which it applies.

§ 1120.705 Location of programmatic requirements in the standard award format.

As shown in the table in § 1120.4(b), the standard award format includes programmatic requirements as Subdivision D of the general terms and conditions.

§ 1120.710 Examples of programmatic requirements.

Examples of provisions appropriately included as programmatic requirements in Subdivision D of the general terms and conditions include:

(a) Requirements for recipients to acknowledge the DoD Component's support in publications of results of the projects or programs performed under awards.

(b) Requirements for recipients to promptly alert the DoD Component if they develop any information in the course of performing the projects or programs under their awards that, in their judgment, might adversely affect national security if disclosed.

(c) Reservation of the Government's right to use non-Federal personnel in any aspect of post-award administration of awards, with appropriate non-disclosure requirements placed on
