

lower tier might be a payment obligation of a foreign bank under an instrument, such as a loan agreement or letter of credit, to the U.S. financial institution assigned the guarantee, which has paid the exporter for the exported U.S. commodities and, in so doing, issued a loan to the foreign bank, which the foreign bank is obligated to repay on deferred payment terms. Pursuant to §417.215(a)(9), these nonprocurement transactions would not be covered transactions. In addition, a transaction at the first lower tier under the export credit guarantee program might be a procurement contract (*i.e.*, a contract for the purchase and sale of goods) that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the guarantee. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. exporter or U.S. financial institution would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or foreign bank or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

(b) *Direct credit program.* In the case of the direct credit program, the primary tier covered transaction would be the financing agreement between the USDA and the U.S. exporter. USDA purchases the exporter's account receivable in a particular transaction pursuant to the financing agreement. On occasion, such transaction may contemplate a payment obligation of a U.S. or foreign bank to make the required payments. USDA would have to check the EPLS before entering into a financing agreement or accepting such a payor to ensure that the U.S. exporter or the bank, if any, that would be the primary tier participant is not excluded or disqualified. A transaction at the first lower tier might be a payment obligation of the importer to pay the exporter for the exported U.S. commodities that are covered by the financing agreement. Pursuant to §417.215(a)(9), this nonprocurement

transaction would not be a covered transaction. In addition, a transaction at the first lower tier might be a procurement contract that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the financing agreement. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. exporter would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or bank, or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.
