

## Department of Defense

## § 1128.305

conditions will support construction projects financed in whole or in part by the Federal Government.

(b) *Award terms and conditions*—(1) *General*. Appendix B provides wording for Section B of FMS Article II that a DoD Component:

(i) Must use in general terms and conditions for non-construction awards to authorize recipients to request advance payments; and

(ii) May use in general terms and conditions for construction awards if it elects to authorize recipients of those awards to request advance payments.

(2) *Alternative award terms and conditions*. A DoD Component may develop an alternative to appendix B's wording for Section B of FMS Article II to use in general terms and conditions for construction awards, if it elects to specify reimbursement as the payment method for those awards. The alternative:

(i) Would replace appendix B's wording for paragraph B.1 with wording to specify the reimbursement method of payment;

(ii) Must include appendix B's wording for paragraphs B.2.b and c, B.4, and B.5, which may be renumbered as appropriate, because those paragraphs apply to reimbursements as well as advance payments;

(iii) Should omit appendix B's wording for paragraphs B.2.a, B.3, and B.6 because those paragraphs apply specifically to advance payments; and

(iv) Must inform recipients that the DoD payment office generally makes payment within 30 calendar days after receipt of the request for reimbursement by the award administration office, unless the request is reasonably believed to be improper.

### **§ 1128.220 Electronic funds transfer and other payment procedural instructions or information.**

(a) *Policy*. A DoD Component's general terms and conditions must specify that payments will be made by electronic funds transfer (EFT) unless a recipient is excepted in accordance with Department of the Treasury regulations at 31 CFR part 208 from the Governmentwide requirement to use EFT.

(b) *Award terms and conditions*—(1) *Electronic funds transfer*. Appendix B

provides wording for Section C of FMS Article II that a DoD Component must use to specify payment by EFT, when awards are not excepted from the Governmentwide requirement.

(2) *Other payment procedures or instructions*. A DoD Component may insert one or more paragraphs in its general terms and conditions in lieu of the reserved paragraph C.2 in appendix B, to provide procedural instructions or information regarding payments that is common to awards using those terms and conditions. For example, it may insert wording to give detailed instructions on where and how recipients are to submit payment requests. All forms, formats, and data elements for payment requests must be OMB-approved information collections.

## **Subpart C—Allowable Costs, Period of Availability of Funds, and Fee or Profit (FMS Article III)**

### **§ 1128.300 Purpose of FMS Article III.**

FMS Article III of the general terms and conditions specifies what costs are allowable as charges to awards and when they are allowable. It also specifies restrictions on payment of fee or profit. It thereby implements OMB guidance in §§ 200.209 and 200.309 and Subpart E of 2 CFR part 200. It also partially implements 2 CFR 200.201(b)(1) and 200.323(c), as those sections apply to the cost principles to be used in relation to subawards and contracts, respectively.

### **§ 1128.305 Content of FMS Article III.**

(a) *Requirement*. A DoD Component's general terms and conditions must address allowability of costs and permissibility of fee or profit.

(b) *Award terms and conditions*. A DoD Component's general terms and conditions must include the wording appendix C to this part provides for FMS Article III with appropriate reservations as described in §§ 1128.310 through 1128.325.

## § 1128.310

## 2 CFR Ch. XI (1–1–24 Edition)

### § 1128.310 Cost principles.

(a) *Policy.* The set of Governmentwide cost principles applicable to a particular entity type governs the allowability of costs that may be:

(1) Charged to each cost-type:

(i) DoD grant or cooperative agreement to a recipient of that entity type;

(ii) Subaward to a subrecipient of that entity type at any tier below a DoD grant or cooperative agreement; and

(iii) Procurement transaction with a contractor of that entity type awarded by a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.

(2) Considered in establishing the amount of any:

(i) Fixed-amount subaward, at any tier under a grant or cooperative agreement, to a subrecipient of that entity type; or

(ii) Fixed-price procurement transaction with a contractor of that entity type that is awarded by either a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.

(b) *Award terms and conditions*—(1) *General.* Because almost all DoD grants and cooperative agreements are cost-type awards, appendix C includes wording for Section A of FMS Article III that specifies use of the applicable Governmentwide cost principles in the determination of the allowability of costs.

(2) *Exception.* A DoD Component may reserve any paragraph of appendix C's wording for Section A of FMS Article III in its general terms and conditions if the Component is certain that no entities of the type to which the paragraph applies could be recipients of awards using those general terms and conditions or recipients of subawards or procurement transactions at any tier under those awards.

### § 1128.315 Clarification concerning allowability of publication costs.

(a) *Requirement.* A DoD Component's general terms and conditions must clarify that a recipient must charge publication costs consistently as either

direct or indirect costs in order for those costs to be allowable charges to DoD grants and cooperative agreements.

(b) *Award terms and conditions*—(1) *General.* To clarify the allowability of publication costs, a DoD Component's general terms and conditions must include the wording appendix C to this part provides for Section B of FMS Article III.

(2) *Exception.* A DoD Component may instead reserve Section B of FMS Article III in its general terms and conditions if the DoD Component determines that there will be no publication costs under any of the awards using those general terms and conditions.

### § 1128.320 Period of availability of funds.

(a) *Requirement.* A DoD Component's general terms and conditions must specify the period during which Federal funds are available for obligation by recipients for project or program purposes.

(b) *Award terms and conditions.* A DoD Component's general terms and conditions must include the wording appendix C to this part provides for Section C of FMS Article III to specify the period of availability of funds.

### § 1128.325 Fee or profit.

(a) *Requirement.* A DoD Component's general terms and conditions must specify that recipients may neither receive fee or profit nor pay fee or profit to subrecipients.

(b) *Award terms and conditions.* A DoD Component must use the wording appendix C to this part provides for Section D of FMS Article III to specify the limitation on payment of fee or profit.

## Subpart D—Revision of Budget and Program Plans (FMS Article IV)

### § 1128.400 Purpose of FMS Article IV.

FMS Article IV of the general terms and conditions specifies requirements related to changes in recipients' budget and program plans. It thereby implements OMB guidance in § 200.308 of 2 CFR part 200 and partially implements § 200.209 and Subpart E of that part.

**§ 1128.405 Content of FMS Article IV.**

(a) *Requirement.* A DoD Component's general terms and conditions must specify the changes in budget and program plans for which a recipient is required to request DoD Component prior approval and the procedures for submitting those requests.

(b) *Award terms and conditions.* A DoD Component's general terms and conditions must include as FMS Article IV the wording appendix D to this part provides, with any revisions to the wording that are authorized by §§ 1128.410 through 1128.430.

**§ 1128.410 Approved budget.**

(a) *OMB guidance.* As described in 2 CFR 200.308(a), the approved budget for a grant or cooperative agreement may include both the Federal and non-Federal shares of funding under the award or only the Federal share.

(b) *DoD implementation.* For DoD grants and cooperative agreements, the approved budget includes the Federal share and any cost sharing or matching that the recipient is required to provide under the award.

(c) *Award terms and conditions.* A DoD Component's general terms and conditions therefore must include the wording appendix D to this part provides for Section A of FMS Article IV.

**§ 1128.415 Prior approvals for non-construction activities.**

(a) *OMB guidance.* OMB guidance in 2 CFR 200.308(c) through (e) addresses prior approval requirements for revisions of a recipient's budget and program plans under a non-construction grant or cooperative agreement, which includes, for the purposes of this section, non-construction activities under an award that supports both construction and non-construction.

(b) *DoD implementation of the guidance.* The following paragraphs (c) through (g) of this section provide details of the DoD implementation of the guidance in 2 CFR 200.308(c) through (e) and paragraph (h) specifies the corresponding award terms and conditions. A DoD Component's general terms and conditions for non-construction awards may require additional prior approvals for budget and program revisions (*i.e.*, prior approvals other

than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) *Scope or objective, cost sharing or matching, and additional Federal funds.* A DoD Component's general terms and conditions for non-construction awards must require that a recipient obtain DoD Component prior approval:

(1) For a change in scope or objective of the project or program, as described in 2 CFR 200.308(c)(1)(i).

(2) For any change in the cost sharing or matching included in the approved budget for which FMS Article VI requires prior approval, as described in OMB guidance at 2 CFR 200.308(c)(1)(vii).

(3) If the need arises for additional Federal funds to complete the project or program, as described in 2 CFR 200.308(c)(1)(viii).

(d) *Personnel changes, disengagements, or reductions in time.* A DoD Component must include the following prior approval requirements in general terms and conditions of research awards and may include them in general terms and conditions of other non-construction awards:

(1) A change in a key person, as described in 2 CFR 200.308(c)(1)(ii).

(2) A principal investigator's or project director's disengagement from, or reduction in time devoted to, the project or program, as described in 2 CFR 200.308(c)(1)(iii).

(e) *Costs requiring prior approval under the cost principles.* With respect to waivers of prior approvals required by the cost principles, as described in 2 CFR 200.308(c)(1)(iv):

(1) Any waiver of a cost principles requirement for prior approval by a recipient entity's cognizant agency for indirect costs is appropriately addressed in award-specific terms and conditions, rather than general terms and conditions, because the general terms and conditions must be appropriate for use in awards to multiple recipient entities.

(2) A DoD Component may waive requirements in the cost principles for recipients to request prior approval before charging certain costs as direct costs to awards. However, the DoD Component should carefully consider
