

Department of Defense

§ 1130.605

(b) *DoD implementation.* For equipment in which there is a Federal interest under awards to institutions of higher education, nonprofit organizations, local governments, or Indian tribes, DoD implements through award terms and conditions the following portions of 2 CFR part 200 as they apply to use of equipment prior to the time of its disposition:

(1) 2 CFR 200.313(a) and (c); and

(2) 2 CFR 200.313(d)(5), as it applies to equipment sales prior to the time of disposition, to offset the acquisition cost of replacement equipment.

(c) *Award terms and conditions.* A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section C of PROP Article IV to specify the requirements for use of equipment described in paragraph (b) of this section.

§ 1130.420 Disposition of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.313(e) addresses disposition of original or replacement equipment acquired under a grant or cooperative agreement by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(b) *DoD implementation.* DoD implements 2 CFR 200.313(e) through award terms and conditions that govern disposition of original or replacement equipment acquired under an award by an institution of higher education, nonprofit organization, local government, or Indian tribe when there is a Federal interest in the equipment.

(c) *Award terms and conditions.* A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section D of PROP Article IV to specify the requirements for disposition of equipment described in paragraph (b) of this section.

§ 1130.425 Use and disposition of supplies.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.314 sets forth requirements for use and disposition of supplies acquired under a grant or cooperative agreement.

(b) *DoD implementation.* DoD implements 2 CFR 200.314 through award terms and conditions that govern use and disposition of supplies acquired under awards either by purchase or by donation as cost sharing or matching.

(c) *Award terms and conditions.* A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section E of PROP Article IV to specify the requirements for use and disposition of acquired supplies.

Subpart E—Use and Disposition of Federally Owned Property (PROP Article V)

§ 1130.500 Purpose of PROP Article V.

PROP Article V specifies requirements for recipients' use and disposition of federally owned property. It implements the portion of OMB guidance in 2 CFR 200.312(a) that applies to disposition of federally owned property.

§ 1130.505 Content of PROP Article V.

A DoD Component's general terms and conditions must either:

(a) Include the wording appendix E to this part provides for PROP Article V to specify requirements for use and disposition of federally owned property; or

(b) Reserve PROP Article V if there is no possibility of recipients or sub-recipients being accountable for federally owned property under awards using those terms and conditions.

Subpart F—Intangible Property (PROP Article VI)

§ 1130.600 Purpose of PROP Article VI.

PROP Article VI sets forth the rights and responsibilities of recipients and the Federal Government with respect to intangible property. It thereby implements OMB guidance in 2 CFR 200.315.

§ 1130.605 Copyrights asserted in works developed or otherwise acquired under awards.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.315(b) addresses recipients' and the Federal Government's rights related to works that recipients may

§ 1130.610

2 CFR Ch. XI (1–1–24 Edition)

copyright under grants and cooperative agreements.

(b) *DoD implementation.* DoD implements 2 CFR 200.315(b) through award terms and conditions that specify recipient and DoD rights with respect to copyrightable works.

(c) *Award terms and conditions.* A DoD Component's general terms and conditions must use the wording appendix F to this part provides for Section A of PROP Article VI to affirm the recipient's right to assert copyright in works it develops or otherwise acquires under an award, as well as DoD's right to use the works for Federal purposes.

§ 1130.610 Inventions developed under awards.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.315(c) states that recipients of grants and cooperative agreements are subject to applicable regulations concerning patents and inventions, including Department of Commerce regulations at 37 CFR part 401.

(b) *DoD implementation.* In implementing 2 CFR 200.315(c) for awards for the performance of experimental, developmental, or research work, DoD:

(1) Extends to other entities the patent rights provisions of chapter 18 of Title 35 of the U.S. Code and 37 CFR part 401 that directly apply to small business firms and nonprofit organizations. This broadened applicability is in accordance with the February 18, 1983, Presidential memorandum on Government patent policy, referred to in Executive Order 12591, "Facilitating Access to Science and Technology."

(2) Establishes a requirement for recipients to provide final reports listing all subject inventions under their awards or stating there were none, a requirement that 37 CFR 401.5(f)(1) provides as an agency option.

(3) Incorporates the prohibition in 35 U.S.C. 212 on asserting Federal Government rights in inventions made by recipients of scholarships, fellowships, training grants, or other awards made primarily for educational purposes.

(c) *Award terms and conditions.* (1) *Awards for research, developmental, or experimental work.* A DoD Component's general terms and conditions for awards for the performance of experimental, developmental, or research

work funded in whole or in part by the Federal Government must include the wording appendix F to this part provides for Section B of PROP Article VI, with one permitted exception. The exception is that a DoD Component may reserve or substitute alternative wording for paragraph B.2.b of Section B of PROP Article VI, as appropriate, if it elects to:

(i) Omit the requirement for final invention reports;

(ii) Substitute "120 calendar days" for "90 calendar days" to provide an additional 30 days for recipient's submissions of final reports after the end date of the period of performance; or

(iii) Include a requirement for recipients to submit information about each patent application they submit for a subject invention, interim listings of all subject inventions, or both, which the Department of Commerce regulations at 37 CFR 401.5(f)(2) and (3) permit agencies to require.

(2) *Awards for primarily educational purposes.* A DoD Component's general terms and conditions for awards to support scholarships or fellowships, training grants, or other awards for primarily educational purposes must replace the wording appendix F to this part provides for Section B of PROP Article VI with an alternative award provision stating that the Federal Government will have no rights to inventions made by recipients.

(3) *Awards for other purposes.* A DoD Component developing general terms and conditions for awards other than those described in paragraphs (c)(1) and (2) of this section should:

(i) Consult its intellectual property counsel if it anticipates that recipients may develop patentable inventions under its awards, to identify any applicable statutes or regulations and determine an appropriate substitute for the wording appendix F to this part provides for Section B of PROP Article VI; or

(ii) Reserve Section B of PROP Article VI if it does not expect development of any patentable inventions under those awards.
