Subpart A—General

§ 1122.1 Purpose of this part.

(a) This part specifies a standard format and standard wording of general terms and conditions for Subdivision B of the general terms and conditions of DoD grants and cooperative agreements, which concerns national policy requirements.

(b) It thereby implements:

(1) Office of Management and Budget (OMB) guidance in 2 CFR 200.210(b)(ii) and 200.300, as those paragraphs of 2 CFR part 200 relate to national policy

requirements for general terms and conditions of DoD grants and cooperative agreements to institutions of higher education and other nonprofit organizations, States, local governments, and Indian tribes.

(2) National policy requirements, to the extent they apply, for general terms and conditions of DoD awards to for-profit firms, foreign organizations, and foreign public entities.

§ 1122.2 Definition of “national policy requirement.”

For the purposes of this chapter, a national policy requirement is a requirement:

(a) That is prescribed by a statute, Executive order, policy guidance issued by the Executive Office of the President, or regulation that specifically refers to grants, cooperative agreements, or financial assistance in general;

(b) With which a recipient of a grant or cooperative agreement must comply during the period of performance; and

(c) That is outside subject matter areas covered by administrative requirements in subchapters D or E of this chapter.

§ 1122.3 Definition of other terms as they are used in this part.

Because the meaning of some terms used in this part derive from their definitions in the statutes, Executive orders, or other sources of national policy requirements that this part implements, the meanings of those terms may vary from their meanings in other parts of the DoD Grant and Agreement Regulations. For example, some statutes define “State” in ways that differ from each other and from the definition provided in 2 CFR part B. In each case, the definition in the source of the pertinent national policy requirement takes precedence over the definition in 2 CFR part B for the purposes of complying with that requirement.

Subpart B—Terms and Conditions

§ 1122.100 Purpose of this subpart.

This subpart provides:

(a) Direction to DoD Components on how to construct the four articles of
