

## Department of Defense

## § 1120.110

(A) Scope of work or other appropriate content to specify the goals and objectives of the project or program supported by the award;

(B) Approved budget; and

(C) General, and any award specific, terms and conditions of the award.

(iii) Where the portions of the award listed in paragraph (a)(10)(ii) of this section are located, which content the DoD Component generally should incorporate into the award by reference. When incorporating that content into the award by reference, the DoD Component must both:

(A) Indicate in the award cover pages that the award incorporates those items into the award by reference, thereby making them an integral part of the award; and

(B) Specify their location (see § 1120.315), rather than transmit them in their entirety with each award.

(iv) The order of precedence in the event of conflict among the general and any award-specific terms and conditions and other potential sources of requirements (*e.g.*, Federal statutes).

(v) The name of, and contact information for, the individual or office in the DoD responsible for post-award administration of the award. If there are multiple individuals and offices for different post-award functions (*e.g.*, payments and property administration), the award cover pages should provide information about each.

(vi) The name of, and contact information for, the DoD Component's program manager or other point of contact for programmatic matters.

(b) Must include, as a minimum, the following information about the recipient entity:

(1) The recipient's unique entity identifier required for its registration in the System for Award Management (SAM). Currently, that is the Dun and Bradstreet Data Universal Numbering System (DUNS) number.

(2) The recipient's business name and address, which must be the legal business or "doing business as" name and physical address in SAM at the time of award corresponding to the recipient's unique entity identifier.

(3) The name and title of the recipient's authorized representative, either the individual who signed the applica-

tion or proposal on behalf of the recipient entity or another individual designated by that entity.

(4) The name of the recipient's Project or Program Director (PD) or Principal Investigator (PI) and his or her organization, if different from the name of the recipient organization. If there are multiple PDs or co-PIs, the name and organization of each should be included.

(5) The indirect cost rate in effect at the start of the performance period for the award, which generally is a Governmentwide rate negotiated by the recipient's cognizant agency for indirect costs. However, this requirement does not apply—*i.e.*, the award cover pages need not include the recipient's indirect cost rate—if the recipient entity affirms that it treats its indirect cost rate as proprietary information.

(c) May also include, as applicable, elements such as:

(1) A statement that the award can be amended only by a grants officer. The statement might also explain how amendments are issued.

(2) Information about any planned, future incremental funding or options for which amounts were pre-determined.

### § 1120.110 Use of alternative to DoD form.

(a) A DoD Component may use something other than a DoD form as its award cover pages only if:

(1) There is not currently any DoD form for the award cover pages; or

(2) The DoD Component obtains approval for a deviation from the requirement to use a DoD form from the Office of the Assistant Secretary of Defense for Research and Engineering, in accordance with the procedures specified in 32 CFR 21.340.

(b) If a DoD Component does not use a DoD form for its award cover pages, as described in paragraph (a) of this section, its award cover pages must include all information specified in § 1120.105.
