

**Subpart B—Award-specific Terms and Conditions**

**§ 1120.200 Purpose and inclusion of award-specific terms and conditions.**

A DoD Component must include with each award, for transmission to the recipient, any terms and conditions needed to communicate requirements specific to the individual award as distinct from the more broadly applicable requirements in the general terms and conditions. For a modification to an award, only changes to previously transmitted terms and conditions must be included.

**§ 1120.205 Organization and wording of award-specific terms and conditions.**

DoD Components should organize and word award-specific terms and conditions to make them as clear and easy to understand as possible for the benefit of recipients, award administrators, auditors, and others who may need to use them. The DoDGARs specify neither a standard organization nor standard wording for award-specific terms and conditions.

**Subpart C—General Terms and Conditions**

**§ 1120.300 Purpose of general terms and conditions.**

The general terms and conditions comprise the portion of the award with requirements that apply to a class of awards (*e.g.*, awards under a particular program or type of program activity, such as research or education, or for a class of recipients, such as for-profit entities).

**§ 1120.305 Requirement for general terms and conditions.**

Each DoD Component must establish at least one set of general terms and conditions. A DoD Component may have more than one set, as it deems appropriate to reflect differences in its award terms and conditions across different programs, classes of recipients, or types of activity.

**§ 1120.310 Use of plain language.**

(a) DoD Components must use plain language in:

(1) General terms and conditions of grants and cooperative agreements to institutions of higher education, non-profit organizations, States, local governments, and Indian tribes. Those awards are subject to the DoDGARs provisions in:

(i) 2 CFR parts 1128 through 1138, the appendices to which provide standard wording for general terms and conditions addressing administrative requirements. That standard wording uses personal pronouns.

(ii) 2 CFR part 1122, the appendices to which provide standard wording for general terms and conditions addressing commonly applicable national policy requirements. That standard wording also uses personal pronouns.

(2) The national policy requirements in Subdivision B of general terms and conditions of grants and cooperative agreements to for-profit entities, which also are subject to 2 CFR part 1122.

(b) Although the DoDGARs currently do not provide standard wording for terms and conditions addressing administrative requirements for use in awards to for-profit entities, DoD Components are strongly encouraged to use plain language and personal pronouns in their terms and conditions of those other awards. The DoDGARs provisions that specify the administrative requirements to incorporate into those terms and conditions are listed in § 1120.510(b).

**§ 1120.315 Availability of general terms and conditions.**

(a) A DoD Component that issues a funding opportunity announcement under which grants or cooperative agreements may be awarded must maintain on the internet the general terms and conditions for those awards if:

(1) The distribution of the funding opportunity announcement is unlimited; and

(2) The DoD Component anticipates making 10 or more awards per year using those general terms and conditions.
