

OMB Guidance, Grants and Agreements

§ 180.110

(2) State responsibilities of Federal agencies and participants to check for disqualified persons before entering into covered transactions.

(b) Do not specify the—

(1) Transactions for which a disqualified person is ineligible. Those transactions vary on a case-by-case basis, because they depend on the language of the specific statute, Executive order or regulation that caused the disqualification;

(2) Entities to which a disqualification applies; or

(3) Process that a Federal agency uses to disqualify a person. Unlike ex-

clusion under subparts A through I of this part, disqualification is frequently not a discretionary action that a Federal agency takes, and may include special procedures.
