

lower tier might be a payment obligation of a foreign bank under an instrument, such as a loan agreement or letter of credit, to the U.S. financial institution assigned the guarantee, which has paid the exporter for the exported U.S. commodities and, in so doing, issued a loan to the foreign bank, which the foreign bank is obligated to repay on deferred payment terms. Pursuant to §417.215(a)(9), these nonprocurement transactions would not be covered transactions. In addition, a transaction at the first lower tier under the export credit guarantee program might be a procurement contract (*i.e.*, a contract for the purchase and sale of goods) that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the guarantee. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. exporter or U.S. financial institution would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or foreign bank or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

(b) *Direct credit program.* In the case of the direct credit program, the primary tier covered transaction would be the financing agreement between the USDA and the U.S. exporter. USDA purchases the exporter's account receivable in a particular transaction pursuant to the financing agreement. On occasion, such transaction may contemplate a payment obligation of a U.S. or foreign bank to make the required payments. USDA would have to check the EPLS before entering into a financing agreement or accepting such a payor to ensure that the U.S. exporter or the bank, if any, that would be the primary tier participant is not excluded or disqualified. A transaction at the first lower tier might be a payment obligation of the importer to pay the exporter for the exported U.S. commodities that are covered by the financing agreement. Pursuant to §417.215(a)(9), this nonprocurement

transaction would not be a covered transaction. In addition, a transaction at the first lower tier might be a procurement contract that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the financing agreement. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. exporter would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or bank, or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

SAM Exclusions is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

### § 417.505 Who uses SAM Exclusions?

(a) Federal agency officials use SAM Exclusions to determine whether to enter into a transaction with a person, as required under § 180.430 of this title.

(b) Participants also may, but are not required to, use SAM Exclusions to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under § 180.320 of this title; or

(2) Persons with whom they are entering into covered transactions at the next lower tier are excluded or disqualified.

(c) SAM Exclusions are available to the general public.

### § 417.510 Who maintains SAM Exclusions?

The General Services Administration (GSA) maintains SAM Exclusions. When a Federal agency takes an action to exclude a person under the non-procurement or procurement debarment and suspension system, the agency enters the information about the excluded person into SAM Exclusions.

### § 417.515 What specific information is in SAM Exclusions?

(a) At a minimum, SAM Exclusions indicates—

(1) The full name (where available) and address of each excluded and disqualified person, in alphabetical order, with cross references if more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for the action;

(6) The Federal agency and name and telephone number of the agency point of contact for the action; and

(7) The unique entity identifier approved by the GSA, of the excluded or disqualified person, if available.

(b)(1) The database for SAM Exclusions includes a field for the Taxpayer Identification Number (TIN) (the social security number (SSN) for an individual) of an excluded or disqualified person.

(2) Agencies disclose the SSN of an individual to verify the identity of an individual, only if permitted under the Privacy Act of 1974 and, if appropriate, the Computer Matching and Privacy Protection Act of 1988, as codified in 5 U.S.C. 552(a).

### § 417.520 Who places the information into SAM Exclusions?

Federal agency officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into SAM Exclusions:

(a) Information required by § 180.515(a) of this title;

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, within three business days, after—

(1) Taking an exclusion action;

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

### § 417.525 Whom do I ask if I have questions about a person in SAM Exclusions?

If you have questions about a listed person in SAM Exclusions, ask the point of contact for the Federal agency that placed the person's name into SAM Exclusions. You may find the agency point of contact from SAM Exclusions.
