

**§ 1120.105 Content of the award cover pages.**

The award cover pages of each DoD Component grant or cooperative agreement or modification:

(a) Must include, as a minimum, the following information about the award or modification:

(1) The name of the DoD Component awarding office that made the award or modification.

(2) The award number (Federal Award Identification Number or FAIN) and, if the action is a modification, the modification number.

(3) The type of award—*i.e.*, grant or cooperative agreement.

(4) The type of award action—*e.g.*, new award, funding modification, or administrative (non-funding) modification. For an administrative modification, the award cover pages should include a brief description of the purpose of the modification (*e.g.*, a no-cost extension of the end date of the period of performance).

(5) For a new award or funding modification:

(i) A brief description of the project or program supported by the award.

(ii) The amount of the obligation or deobligation of Federal funds due to

the current action and any accompanying change in the total amount of cost sharing or matching required under the award.

(iii) The cumulative amounts of Federal funds and any corresponding non-Federal share obligated to date (*i.e.*, the sums of the amounts of the current action and the cumulative amounts of prior obligations and deobligations).

(iv) The total amount of the project costs in the currently approved budget through the end of the period of performance, the Federal share of that amount, and the non-Federal share even if that share is “zero.”

(v) The total value of the award; the Federal share of that total value (which includes Federal funding obligated to date; future incremental funding actions; and options for which amounts have been predetermined, whether or not they have been exercised yet); and the non-Federal share of that total value (*i.e.*, total cost sharing or matching required under the award).

(vi) A table such as the following may be helpful in clearly presenting the information described in paragraphs (a)(5)(i) through (vi) of this section:

	Federal funds	Corresponding non-Federal share	Total amount
(A) Obligated or deobligated this action .....	.....	.....	.....
(B) Cumulative obligations to date, including this and previous actions .....	.....	.....	.....
(C) Planned project costs in the currently approved budget through the end of the period of performance, to include any future incremental funding obligations .....	.....	.....	.....
(D) Total value, which includes any unexercised options for which amounts were established in the award .....	.....	.....	.....

(6) The obligation date (*i.e.*, the date of the grants officer’s signature) and, if different, the effective date.

(7) The start date and current end date of the period of performance.

(8) The statutory authority or authorities under which the award or modification was made.

(9) The number and title of the program listed in the Catalog of Federal Domestic Assistance under which the award or modification was made.

(10) For a new award (or, as needed, in a modification that amends any of the following information):

(i) Whether the project or program under the award is research and development (R&D). This information is needed by auditors performing single audits of recipients because the OMB guidance to the auditors treats all Federal agencies’ R&D programs as a single group (or “cluster”) of programs for audit sampling purposes (see the Single Audit Act requirements implemented in subpart E of 2 CFR part 1128 and FMS Article V in appendix E to part 1128).

(ii) What the award includes in addition to the cover pages—*i.e.*, the:
