

Department of Defense

§ 1128.430

certain types of costs as direct charges to awards. If a DoD Component elects to waive any of those prior approval requirements, it must add wording to paragraph B.1.d to identify the specific types of costs for which recipients need not obtain DoD Component prior approval (thereby leaving in place the other prior approval requirements in the cost principles).

(4) In accordance with paragraphs (f) and (g) of this section, a DoD Component's general terms and conditions for non-construction awards may include the wording that appendix D provides for paragraphs B.1.e, B.1.f, and B.1.h (except as noted for research awards in paragraph (f)(3) of this section) and Section C of FMS Article IV. A DoD Component may modify the wording as specified in paragraphs (f) and (g) of this section (*e.g.*, to limit the authorization for pre-award costs in non-construction awards other than research to a period of less than 90 calendar days prior to the beginning date of the period of performance).

(5) If no awards using a DoD Component's general terms and conditions will support non-construction activities, the DoD Component may reserve section B.1 of the wording that appendix D provides for FMS Article IV.

§ 1128.420 Prior approvals for construction activities.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.308(g)(1) through (4) addresses prior approval requirements for revisions of a recipient's budget and program plans under a construction grant or cooperative agreement or construction activities under an award that supports both construction and non-construction activities.

(b) *DoD implementation of the guidance.* DoD implements the guidance in 2 CFR 200.308(g)(1) through (4) through terms and conditions of awards for construction. A DoD Component's general terms and conditions for construction awards may require additional prior approvals for budget and program revisions (*i.e.*, prior approvals other than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) *Award terms and conditions.* In a DoD Component's general terms and

conditions for construction awards or awards supporting construction activities, the DoD Component:

(1) Must include the wording that appendix D to this part provides for paragraph B.2 of FMS Article IV.

(2) May reserve or remove the wording appendix D to this part provides for paragraph B.1 and Section C of FMS Article IV unless some awards using the general terms and conditions will also support non-construction activities (if the DoD Component elects to remove Section C, it should redesignate Section D in the article as Section C).

§ 1128.425 Additional prior approval for awards that support both non-construction and construction activities.

(a) *OMB guidance.* Guidance on an additional prior approval requirement for grants or cooperative agreements that support both construction and non-construction activities is contained in 2 CFR 200.308(g)(5).

(b) *DoD implementation of the guidance.* DoD implements the guidance in 2 CFR 200.308(g)(5) through terms and conditions for awards that support both non-construction and construction activities.

(c) *Award terms and conditions.* If a DoD Component establishes general terms and conditions for awards that support both non-construction and construction activities, the DoD Component may add the prior approval requirement for funding or budget transfers between construction and non-construction activities that is described in OMB guidance in 2 CFR 200.308(g)(5). The wording that appendix D to this part provides for Section B of FMS Article IV includes a reserved paragraph B.3 in which the DoD Component may add appropriate wording to include that prior approval requirement.

§ 1128.430 Procedures for prior approvals.

(a) *OMB guidance.* Guidance on procedures related to recipient requests for prior approval is contained in 2 CFR 200.308(h) and (i).

(b) *DoD implementation of the guidance.* DoD implements the guidance in
