

OMB Guidance, Grants and Agreements

§ 183.35

- (1) The executive agency concerned.
- (2) An explanation of the basis for not taking the action.

(f) For each instance in which an executive agency exercised the additional authority to examine recipient and lower tier entity (*e.g.*, subrecipient or contractor) records, the agency must report in writing to the head of the executive agency concerned (or the designee of such head) and the commander of the covered combatant command concerned (or specific deputies) the following:

- (1) An explanation of the basis for the action taken; and
- (2) A summary of the results of any examination of records.

§ 183.25 Responsibilities of recipients.

(a) Recipients of covered grants or cooperative agreements must fulfill the requirements outlined in the award term provided in appendix A to this part.

(b) Recipients must also flow down the provisions in award terms covered in appendix A to this part to all contracts and subawards under the award.

§ 183.30 Access to records.

In addition to any other existing examination-of-records authority, the Federal Government is authorized to examine any records of the recipient and its subawards, to the extent necessary, to ensure that funds, including supplies and services, received under a covered grant or cooperative agreement (see §183.35) are not provided directly or indirectly to a covered person or entity in accordance with Never Contract with the Enemy. The Federal awarding agency may only exercise this authority upon a written determination by the Federal awarding agency that relies on a finding by the commander of a covered combatant command that there is reason to believe that funds, including supplies and services, received under the grant or cooperative agreement may have been provided directly or indirectly to a covered person or entity.
